RE: Letter of Recommendation

Harilal Transport Services Limited is pleased to provide this letter of recommendation for Bonafide Inspection and Maintenance Services Limited (BIMSL) in support of its vendor registration.

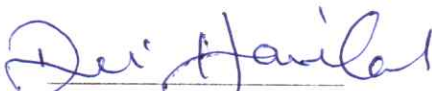

Our company has engaged BIMSL to provide services to our organization, and throughout our business relationship they have consistently demonstrated professionalism, technical competence, and a strong commitment to delivering quality work.

BIMSL has performed its services in a safe, efficient, and reliable manner while maintaining a high standard of workmanship. They have consistently met agreed schedules, exercised effective cost control, and complied with all applicable health, safety, and operational requirements. Their personnel have always been responsive, knowledgeable, and committed to ensuring that projects are completed to our satisfaction.

Based on our experience, we have found BIMSL to be a dependable contractor that conducts its business with integrity and professionalism. We have no hesitation in recommending BIMSL to other organizations requiring their services and are confident that they will continue to perform to a high standard.

Should you require any additional information regarding our experience with BIMSL, please feel free to contact the undersigned.

Yours faithfully,

DEVI HARILAL (MRS)
